

BIANCO-NERO (WHITE-BLACK)

EIFFEL®

The **Bianco/Nero** mulch film is a 3 or 5 layer coextruded film. The black side on the ground ensures excellent water retention and an herbicidal effect. The white side reflects the sun's rays and guarantees a high amount of light. The main benefits are control of molds and plant diseases and insect repellent. Recommended thickness is 70 microns.

Standard in stock:

Thickness	Film Width	Film Length	Theoric Weight	Area per Roll	Folding	Roll Width	Packaging
<i>mm</i>	<i>m</i>	<i>m</i>	<i>kg</i>	<i>m²</i>		<i>m</i>	<i>n° rolls per pallet</i>
0,07	1,20	900	73,8	1.080	flat	1,20	14
0,07	1,40	760	73,1	1.064	flat	1,40	14

→ All Eiffel's mulching films can be produced perforated or pre-perforated. Call us to get more details.
